Baby Bird: Endless fun! - Privacy Policy

I built the "Baby Bird: Endless fun!" (an iOS game app) as an Ad Supported app (it uses admob from Google - https://policies.google.com/technologies/partner-sites?hl=en. This GAME is provided by at no cost and is intended for use as is. This page is used to inform visitors regarding my policies with the collection, use, and disclosure of Personal Information if anyone decided to use my Game. If you choose to use my Game, then you agree to the collection and use of information in relation to this policy. The Personal Information that I may collect is used for providing and improving the Game. I will not use or share your information with anyone except as described in this Privacy Policy.

Information Collection and Use

I do not request you any personal information, nor any personal data is collected by me in any way. The app does use third party services (Admob advertising by Google) that may collect information used to identify you. Their websites explain better how they, eventually, will use your data.

Cookies

Cookies are files with small amount of data that is commonly used an anonymous unique identifier. These are sent to your browser from the website that you visit and are stored on your device internal memory. This Game does not use these "cookies" explicitly. However, the app may use third party code and libraries that use "cookies" to collection information and to improve their services. When will be the case, you have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

Changes to This Privacy Policy

I may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.
